

Membership Dues

Membership renewals are due July 1st of each year. The Chattanooga Ski Club has held membership dues at \$25 per single and \$35 per family for more than 20 years. There will be no increase this year. These are the lowest membership dues of any club in the Crescent Ski Council.

- Memberships that are not renewed by September 1 will be removed from the club roll.
- Once a membership is removed from the active roll, a new membership application is required.
